**PRESIDENT'S MESSAGE 2017-2019**

*Dear Company Presidents and Leaders,*

*We at International have tried very hard to assemble the material you need to present to your camp officers to help them be successful in their efforts in our organization. When they succeed, you are successful. It has taken a lot of work on our part to save time and money with any unnecessary copying. I figure that if the text book isn't so daunting you may just read the material that is in it. With this information', combined with the Constitution and Bylaws – 2013 edition, you should have what you need to answer most questions that may arise. You may add anything that you feel is necessary for your particular needs.*

*Please make copies as needed for your camp leaders so they will have the information at their fingertips for reference. This packet should serve you through Spring of 2019 with a very minimal addendum in 2018 to update as needed. With current information on our website [isdup.org](http://isdup.org) through our news letter Legacy, and on Facebook, we should be able to keep up to date with each other.*

*We are always pleased to hear about what you are doing or helping to solve problems you may experience that are not addressed in any of this literature. In the event it becomes necessary for you to leave office before the end of your term, please give this packet and any other current material to your replacement. You can always contact us at 801-532-6479 or your Regional Representative when you feel the need for special help. Keep up the good work and know I love you and appreciate all that you do.*

*Maurine Parker Smith, President ISDUP*
