

Arizona East Maricopa “In Their Footsteps” Jubilee

Arizona East Maricopa, Mesa Area, Arizona

Our theme for the 2016 Jubilee for Maricopa East Company was “In Their Footsteps”. We were delighted to have two very special guests, Jolene Allphin and Julie Rogers, join our celebration. Jolene Allphin is the author of *Tell My Story, Too* and co-author with Andrew D. Olson of *Follow Me To Zion*. Julie Rogers is the artist for both books. The books are a masterful collection of stories and images about the pioneers and rescuers of the Willie, Martin, Hodgett and Hunt emigrating companies of 1856.

Representatives from thirteen camps and forty-four guests attended the very spiritual and informative meeting. Julie’s artwork surrounded the chapel and the cultural hall. All enjoyed a delicious luncheon.
