Regional Representatives, Company Presidents, and Daughters of Utah Pioneers:

Greetings to all!

Happy Fourth of July! We hope everyone is having a wonderful summer.

Points of Interest:

- The Pioneer Memorial Museum is closed to the public and will remain closed until further notice. The International Board members are working in the building conducting the business of the organization. Correspondence by phone, email, and regular mail continues as usual. Book orders are prepared and sent in the mail daily. Curbside service continues to be provided every Tuesday and Thursday for book and music CD orders.

- The safety and health of all members of Daughters of Utah Pioneers is our highest priority. Please follow all guidelines given through your local communities and government. Phone calls, conference calls, emails, and texts can still be methods of communication for social interaction in camps and companies. The Company President of each local organization should make decisions about gatherings and meetings in accordance with local health department information.
As you plan for the beginning of the DUP year, please provide opportunities for social distancing, wearing masks, and following safe practices. There are many options for holding meetings on your computer via ZOOM and other programs. Lessons can be recorded on video to be made available to your camp members. Weather permitting, camp meetings can be held in a member’s yard while maintaining social distance.

- The ISDUP President’s Message 2020 and ISDUP Seminary Training 2020 are available to view and can be accessed from the ISDUP.org homepage. These videos contain important information that would have been presented to company presidents and board members at the International Seminar.

The videos can be used for training in companies and camps and are appropriate for each Daughter to view.

We are introducing many updates on our website regarding instructions, forms, and reports that we hope you will find simplified.

Each company president has received information in the mail including: Membership Reports (camp rosters), instructions for preparing reports, etc. These are to be distributed to camp captains. All forms needed by camps and companies are now under the Forms tab on the website. All information for camps and companies including both elected and appointed office descriptions will be under the Leadership tab on the website.

We emphasize again that preparing, reviewing, obtaining signatures, and mailing the company year-end statistical and financial reports due to ISDUP June 30 should be completed with your safety in mind; take your time. Communicate by phone, email, text, USPS, etc., with each step. If those required to sign agree over the phone that the data being submitted is correct,
please note that it was a verbal review and details were approved. Then mail the reports. Yes, let's simplify and safely proceed!

- The 2020-2021 lesson books and music CDs are available for purchase by contacting the Pioneer Memorial Museum.

The Museum and lobby are currently closed to the public. Therefore, we are offering curbside pickup of the above items for purchase. As has been done in the past, these items can also be ordered and shipped with additional shipping costs.

1. Please call the ISDUP office at 801-532-6479 ext. 200 to place your order for pickup or shipping. We encourage you to order as a camp or company for pickup as explained below.

2. Curbside pickup is available behind the museum Carriage House on Apricot Avenue, north of the museum. Apricot Avenue is accessed from the west side of the museum. This service will continue to be offered Tuesdays and Thursdays between the hours of 10:00 and 2:00 throughout July and August 2020. Museum personnel will bring orders for pickup to your car. Books that have not been pre-ordered may be requested and paid for with a check or cash in the exact amount at the time of pickup. There will be no credit card or change availability.

3. Prices are as follows:

   - Hardbound book: $20
   - Spiral-bound book: $15
   - Music CD: $5

- All Days of ’47 Activities have been postponed until 2021, including: Royalty Pageant, Cowboy Games and Rodeo, SUPer DUPer Day, Parade and parade preview party, Pops Concert, Pioneers of Progress Event, Sunrise Service, and Pioneer Memorial Museum open house.

- A friendly reminder to all camps: It has sadly come to our attention that some Daughters are turned away from joining a camp because the officers
determine that the camp is “full.” Please accept all new members in order to comply with the *Bylaws* of our Society. *Bylaws Article 1-Membership.* Section 1:D, page 5 reads as follows:

“A woman whose papers are filed with the International Board may become a member of any camp where she resides upon presenting her membership card. No camp may deny admission to a registered member or to an applicant who resides within its area and no camp shall maintain a waiting list. If necessary to accommodate new members, such a camp shall be divided.”

- **Computer Phishing, Scams, and Hacking:** Please remember that the officers of ISDUP will NEVER call or send an email asking for donations, money, gift cards, or personal information. We will not ask you, “Are you there?” or “Where are you?” or “Can you help me?”

- **Job Opening Announcement!** We are looking for a full-time paid secretary for the Pioneer Memorial Museum (300 N. Main Street, SLC). The position would entail the unique opportunity to work with the ISDUP Board and museum staff in an administrative role in our operations. The job closing date is July 22, 2020. All interested applicants should submit a cover letter and resume to President@ISDUP.org.

Thank you for all your hard work, enthusiasm, and support for Daughters of Utah Pioneers. We ask you to pass on this information to your companies and camps. Be safe. Be careful.

Sincerely,

ISDUP Executive Committee
