Certificate and Pin Award Application

The Honorary Heritage Certificate and Pin Award is earned by a DUP Member who validates having three generations of their direct ancestral line, maternal, or paternal, with membership in ISDUP.

1. Complete this application and submit it to ISDUP showing membership of at least three generations on your direct ancestral line. Include the membership number of each woman on the application. If the membership number of the family member is not known, the ISDUP Business Office can assist in providing the number. A generation may be skipped but crossing from the maternal line over to the paternal line or vice versa is not permitted. Membership of family members, living or deceased, are eligible. Ancestral lines include daughter, mother, grandmother, great-grandmother, great-great grandmother, etc., but not aunts or sisters. All applications should include the full name of the applicant and full names of all qualifying individuals. Full name means given name, middle name, maiden name, and all married names. ISDUP membership files show many women have the same given and married name. By providing full names as described, delays are avoided in processing the application.
2. Payment must be received before the application will be processed. Acceptable methods of payment include sending cash or a check in with the application, making a Venmo transfer (ISDUP Treasurer @ISDUP-Treasurer), or calling the ISDUP Business Office and providing credit card information.
3. Your certificate and pin will be mailed from ISDUP separately.
