

Sunflower Patch Western Jubilee!

Clark Nevada Desert Springs Company, Las Vegas, Nevada.

Published 2015 *Legacy*, summer issue.

Sunflower Patch Camp, the most recently formed camp of Clark Nevada Desert Springs Company, Las Vegas Nevada just completed its first year as a member of DUP! This year's jubilee was a western theme with western food and music. We provided costumes for each camp to dress up in and have their picture taken. We were also busy attending ISDUP seminars and conventions, holding our first jubilee, and recruiting members. We attended activities at the Mormon Fort in Las Vegas and participated in the Outreach programs. Everyone has greatly enjoyed the monthly meetings.
