The President's Pen

Greetings to all in the midst of this beautiful winter! This is my favorite season and I love the snow.

When Annie Taylor Hyde organized this association on April 11, 1901, she invited a group of her friends and representatives of influential pioneer families to her home in Salt Lake City. Maria Young Dougall, a daughter of President Brigham Young, assisted her in receiving the guests. According to Mrs. Hyde, the assembly seemed to be filled with the spirit of peace and love with old friends reminiscing and socializing.

Ellen Jeppson
ISDUP President

Mrs. Hyde addressed the group of forty-six women and expressed her feelings about the importance of creating an organization to be called Daughters of Utah Pioneers. She said, "I feel it to be a solemn and pleasant

duty which we owe to them, ourselves, and our children to adopt some method of familiarizing ourselves with the sacrifices which that noble and heroic band has made." She then made a statement that gives us an idea about her purpose for the society, "... that our children and our children's children, through all coming time, might be taught to cherish, revere and emulate their [the pioneers] sublime fidelity and sterling, sturdy worth!"

Annie Taylor Hyde fully expected the Society of Daughters of Utah Pioneers to last "through all coming time." Does this mean forever? Yes, I believe this was her intent. As we conduct Camp Meetings, collect histories, save pictures, and preserve artifacts, we must also add members to our ranks who will ensure the perpetuity of the organization.

Our International Registrar has been receiving a plethora of ISDUP membership applications at the rate of nearly one-hundred each month. Our organization is growing, but there are still Camps and Companies that are combined and disbanded because of a lack of local growth.

How can we acquire new members? I think one of the best ways is to invite family members or friends to attend a Camp Meeting or other DUP event with you. Let them see how fun it is to learn about the pioneers and associate with members of DUP. Invite them to join! You can also visit our website at ISDUP.org >Home>Outreach for other great ideas, pass along cards, and handouts.

I invite all members of DUP to spread the word about our organization. We can achieve Annie Taylor Hyde's goal by adding new members to continue "through all coming time," to celebrate our ancestors. Remember, we know much of what our Pioneer ancestors sacrificed for us. We show our appreciation, admiration, and love to them by emulating their lives and remembering their stories.

With respect and gratitude, Ellen Jeppson

From the Legacy Editor

I have some very important information to share with you. I have been working on this issue of the *Legacy* and had to make ten phone calls to let members know that their submissions could not be included. This was very disturbing to me because the articles were very interesting.

It was brought to my attention that I had never told members what could or could not go in the *Legacy*. We look forward to articles on camp and company events, outreach stories, marker and museum information, and all stories related to you which are about DUP.

We cannot include poems, articles not related to DUP, asking for publicity for objects to sell, stories that are long or already published or not applicable to our goals. We do not print obituaries. We also need to include your camp and company information including the city and state. Many members have said they would like to visit the places in stories, but didn't have the information to find the location.

Remember to send both story and picture directly to my address listed on the back page of the *Legacy*. Please be sure to include your name, telephone number, and email address with all submissions, in case we have questions about the story or picture.

I enjoy feedback from you. Please write, call, or e-mail me with any questions you may have and I will try to get you an answer. Thank you again for your submissions. They are the heart and soul of *Legacy*.

HISTORIC DUP PIONEER TREES PROJECT

Daughters of Utah Pioneers pledge themselves to preserve pioneer landmarks, relics, and histories. Our pioneer ancestors planted and honored trees for their shade, fruit, and shelter. *The Salt Lake Tribune* reported in an article, "Amulets for Aged Monarchs," dated August 29, 1929, that DUP members would "arrange to mark 100 trees that were planted in the Great Salt Lake Valley prior to 1869." More than 300 members attended the meeting. The DUP commissioned copper (made in Utah) plaques 4" x 8" numbered 1-100 to honor the trees. The plaque said, "Pioneer Tree. Salt Lake County. No. 1. Daughters of Utah Pioneers." Tree #1 was a Carolina Poplar, which was cut down in 1969. Tree #2 was a Mulberry. Tree #3 was a Box Elder. Tree #4 was Orson Pratt's Paradise Tree. Soon other counties participated and honored the Honey Locust, Black Walnut, Cedar, Golden Rain, Osage-Orange, Gravenstein Apple, Linden, Beach, Willow, Cottonwood, etc. They stopped with number 70 in about 1941. As the trees died, some owners returned the plaques to the DUP; others treasured the memory of their tree. The DUP Museum has plaque number 1 in a case on the Main Floor.

The DUP shifted emphasis from tree markings to tree plantings. Trees were planted on the Utah State Capitol grounds for each DUP President. Individual camps and companies honored trees they planted in parks and on church grounds (with permission).

DUP 2023 SCHOLARSHIP ROYALTY COMPETITION BECKONS

What includes excitement, scholarships and confident female descendants of our pioneer ancestors? It is the annual DUP Days of '47 Scholarship Competition. The competition will be held **March 24-25** in Salt Lake City at the Pioneer Memorial Museum.

Opportunity is knocking for you to encourage your daughters, granddaughters, nieces, neighbors, and other qualified young women to apply to become a contestant in the 2023 Scholarship Competition. This is a wonderful growing experience for the contestants, allowing them to create lasting friendships, increase their confidence, and perhaps earn a title and scholarship funds. Three young women will be selected who exemplify the high standards of pioneers past and

present, as they represent the State of Utah, The Days of '47 and The Daughters of Utah Pioneers.

The pageant is open to all women between the ages of 18-25, a high school graduate as of March 24, 2023, regardless of religious or ethnic backgrounds who have pioneer ancestry and are qualified in other required areas stated in the application. All applications must be received by **March 6th** at the Pioneer Memorial Museum, 300 North Main Street, Salt Lake City, UT.

The application will be available online at isdup.org January 16, 2023. For additional information you may contact Daughters of Utah Pioneers at 801-532-6479.

Teresa Orton, Director of the McQuarrie Memorial Museum in St. George, Utah, was awarded the 2022 Daughters of the American Revolution (DAR) Community Service Award by the local DAR Chapter, Color Country for her volunteer work as Museum director for the past 13 years.

Teresa Orton

Teresa is a native of St. George and many of the artifacts, histories, and photos housed at the Museum are of her ancestors.

Teresa is responsible for the Museum joining the St. George Chamber of Commerce and has participated in videos showing highlights of the Museum. She writes a monthly newsletter, *Muse News*, and maintains the Museum website and Facebook page. Teresa is an active member in the Centennial Camp, Utah Washington Company, St. George, Utah, where she serves as an officer.

PARADE FUN!

With summer approaching soon and plenty of time to prepare and plan, consider being part of your community parade celebrating the pioneers. The **South Weber Camp** made a simple float along with their own homemade signs and entered it into their local parade. Pass along cards were given out alongside of the moving float advertising DUP and how to join. What better way to introduce and pass along the excitement of our pioneer ancestors. At the end, the camp members said "This was fun. Let's do it again next year!" **Outreach is wonderful!**

Camp and Company News

MINIDOKA COMPANY HONORS TWO DAUGHTERS

Minidoka Company, Rupert, Idaho, honored two daughters at their Jubilee held in early fall. The daughters were honored for their longevity and efforts to make DUP in Minidoka County remarkable.

Marjorie May Carraway Stapleman turned 100 years old in March 2022. She and her twin brother were born in March 1922 in Jackson, Cassia, Idaho. Her mother died of a blood clot to her heart two days later.

Marj Stapleman

Marj was raised by her aunt Maggie and her twin brother was raised by another aunt. They lived close enough to each other and knew each other well. On January 10, 1939, at the age of 16, Marj married Lester Stapleman, who was barely 19 years old. Marj proved to be as strong as her pioneer forebears. She cared for four children alone while her husband served in WWII. Then in 1981, Lester died when Marj was just 59. She has been a widow for nearly 50

years, but carried on and her children credit her with being a “stalwart” in their family. Marj has been an associate member of DUP in her Snake River Camp for nearly 60 years.

Heather Ridge Wilson became a member of DUP in 2008 and has been serving consistently in a variety of positions for more than 14 years. She was born in Rupert, Idaho, to Harry Ridge and Zalia Johnson Ridge. She spent her youth watching her parents and grandparents demonstrate a pioneering and service spirit. Heather and her husband, Dave Wilson, have six children and 13 grandchildren. She has always willingly used her creative and leadership talents to serve in her church, the community and in DUP both in her camp and on the Minidoka Company board. She completed her most notable project for the Company in 2022 after collecting, sorting, and digitizing all the records amassed by the four camps in the Minidoka Company, some more than 40 years old. She gave more than 100% to this project including hundreds of hours searching, finding, and scanning even elusive records such as old scrapbooks. As a result, the Company now has access to these records in a searchable format. Heather’s legacy is one of great love, service, and commitment. The Minidoka Company is proud to honor and recognize her accomplishments.

RICKS CAMP VISITS HISTORIC REXBURG TABERNACLE

The **Ricks Camp**, Madison West Company, Rexburg, Idaho, recently held their monthly camp meeting in the historic Rexburg Tabernacle. The pioneer history and monthly lesson were both presented in the main Tabernacle area, after which the group made an Outreach visit to the downstairs area of the Tabernacle, where the Rexburg City Museum is located. The members looked at pioneer artifacts in a cabinet overseen by Carma Sutherland, a member of the Madison West Company board.

In 2013, the DUP lesson for November was about the Rexburg Tabernacle, found in Volume 5 of *Museum Memories*. During that year, DUP members attended a special meeting and presentation given in the Tabernacle by Lynnette Pieper Hanson, a member of the ISDUP lesson committee, who had also written the lesson. Lynnette is originally from Rexburg, A quote by Lynnette that day is, “Find our artifacts and write histories about them.”

Of the fourteen original pioneers and founding fathers who entered the Rexburg area, five bore the name of Ricks. Many descendants and members of the Ricks family have ISDUP membership in the Ricks Camp, including two current members, Georgia Ricks and Linda Ricks.

Front row left to right: Leola Erikson, Sharon Marlor, Denise Bustos, Ila Litz, Kay Blanchard, Diane Tietjen, Marsha Nelson, Georgia Ricks, and Barbara Conway. Back row left to right: Collette Flamm, Colleen Wadsworth, Sandra Cramer, Cathy Nelson, Kerry Erikson, and Melanie Kennelly.

STONE CREEK CAMP CELEBRATES CHRISTMAS

Santa and Mrs. Claus

The members of the **Stone Creek Camp**, Davis Bountiful Center Company, Bountiful, Utah, had a wonderful Christmas celebration on Monday, December 12, 2022. Besides a great lesson and history presentation, they exchanged gifts, sang Christmas carols and were entertained by a singer who beautifully performed “Angels We Have Heard on High.” Then there was a surprise visit from Santa who delivered lunch, thanks to Mrs. Claus (camp member Leanne Nelson). All agreed it was “the best Christmas party ever!”

April 15, 2023, is the deadline for articles to be included in the Summer Edition of Legacy

30 YEAR CELEBRATION

In April 2022, **Clark Nevada Desert Springs Company**, Las Vegas, Nevada, held its annual Jubilee to celebrate a year of successes and birthdays. Among those celebrating was the **Calico Camp** and its 30 year existence. The Camp honored two of the founding Daughters, **Arlene Atkinson** and **Connie Webb**, the only two that remain from the original Calico Camp. Both have served in many offices for both the Camp and Company. Connie was instrumental in getting the Camp organized and founded in 1992. They were both honored with quilted projects made by Donna Kunz, depicting the Calico Camp logo.

Arlene Atkinson and Connie Webb display their Calico Camp quilts.

DOUBLE CELEBRATION FOR SARAH JANE TAYLOR CAMP

June Agren Brown

Daughters of **Sarah Jane Taylor Camp**, Weber North West Company, Harrisville, Utah, celebrated their Camp's 102nd Birthday on October 24, 2022. A pioneer luncheon was served and pictures, artifacts and the **original book of minutes** was displayed. A history of Sarah Jane's trek across the plains and her pioneer life was presented by Shanna Edwards, a great-great-granddaughter.

Also celebrated was the 103rd birthday for Daughter **June Agren Brown**, who is still active in the camp. She was born, raised, and still lives in Harrisville.

WASHINGTON WEST HOLDS SOCIAL

The **Washington West Company** held their Holiday Social on November 16, 2022, hosted by the Bloomington Camp. Around 130 daughters enjoyed a luncheon where Mikalene Epsom entertained with songs from "Somewhere Over the Rainbow."

Dori Phillips *aka* Hortense McQuarrie Odlum (nickname Tenny) spoke about how Hortense financed the construction of the Pioneer Museum in St. George in 1938. In honor of her pioneer grandparents, she donated \$17,000 for the construction of the Museum. The mission of the Museum "is to tell the stories of the Mormons who came to settle the Utah Territory in the 1850s under Brigham Young." The Museum contains over 2,000 pioneer histories and over 500 photographs.

MERRY, SNOWY, HUNGRY CHRISTMAS IN IDAHO

The **Indian Paintbrush Camp**, Minidoka Company, Rupert, Idaho, met on December 12, 2022, for their annual Christmas Meeting and Party. Out of 16 active daughters, 12 were in attendance. The day consisted of a regular meeting and lesson presentation, followed by a baked potato bar and custom-made cupcakes. Members then participated in a gifting game where one member read the story called "The Two Gifts." On the words "Snowy" and "Hungry" in the story, everyone passed a gift to either the left or the right. At the end of the story, whatever gift had stopped at your chair was yours to keep. The Board chose and presented to each daughter the 175-year pin from the ISDUP. Everyone enjoyed the day's activities.

SOLDIERS IN PETTICOATS

The **Davis Bountiful East Company** waited two long years to celebrate the anniversary of the right for women to vote. The result was an epic, fantastic Jubilee with a huge turnout. Our invitations and program were centered around the theme “Soldiers in Petticoats.” Each camp was invited to decorate a table with suffrage themed items and using the colors white, purple, and yellow, which symbolize the suffrage movement. At each place setting there was a bottle of water and a “button.” There were three different suffrage movement images available. They all could wear them showing our sisterly support for the movement. We served a delicious brunch. After the meal, a women’s quartet sang suffrage songs accompanied by a lively pianist, along with a quick but informative PowerPoint presentation about the road to the right for women to vote. The Jubilee ended with a sing-along song where the words to a well-known song were changed to reflect the geographic area. The Daughters laughed and smiled so much at their Jubilee it made the wait worth it.

PUGET SOUND NORTH COMPANY HOLDS JUBILEE

Puget Sound North Company, Washington, held their annual Jubilee on October 22, 2022, with Pam Gassman giving a fascinating presentation on 18th century early American artifacts used in daily life, household chores and clothing. Pam is a member of Daughters of the American Revolution, Washington State DAR Chaplain, a board member of the George Washington Society and a DAR American Heritage winner in both painting and historic costume. While very interesting, Company daughters are grateful to be living in modern times!

Daughters enjoyed an interesting presentation by Pam Gassman at their recent Jubilee.

Pioneer Women of Today

50-YEAR PIN AWARDED

Leonora Hoyt received her 50-year pin this past summer. Leonora joined Daughters of Utah Pioneers in 1968. Leonora held the positions of 2nd Captain, Song Leader, Chaplain, and called daughters to remind them each month about DUP meetings. Leonora was born March 5, 1937. She had six children and also raised a granddaughter. Leonora joined DUP in Ogden, Utah. She later moved to Orem where she joined a local camp, then joined in California, and then joined Cricket Camp in Clinton, Utah. She currently resides in Pleasant Grove, Utah, in an assisted living facility and is looking for a group to join.

COLLEEN PREECE RECEIVES MEMBERSHIP PIN

Colleen Pitt Preece received her 30-year pin during her camp meeting in September. After running a successful television sales and repair business with her husband in Las Vegas, Nevada, she and her husband moved to Midvale, Utah. Due to her love of family stories, Colleen decided to join the Daughters of Utah Pioneers in Midvale. When she later moved to Salt Lake City, Colleen joined the City Creek Camp. During her time as a member of DUP, she has served as the secretary and First Vice President for many years. Becoming a member of DUP motivated Colleen to write the stories of her ancestors. She is working to complete one more story about her great grandfather, William Pitt. She and her son have enjoyed placing a Faith in Every Footstep medallion on the headstones of their ancestors who walked to Zion.

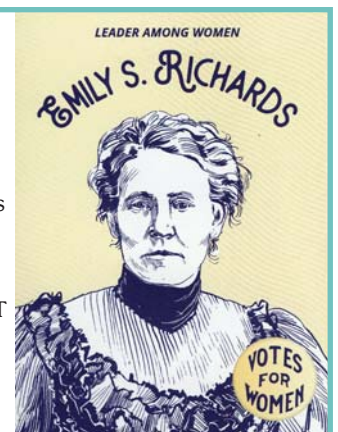

Colleen Preece

The friendships formed through DUP are cherished by Colleen. She has felt that both her moves to Midvale and Salt Lake have benefitted her through making new friends in the smaller group setting of DUP camps.

PAROWAN STUDENTS ENTER DUP SPONSORED ESSAY CONTEST

After a suggestion from **Leslie Nims, Elizabeth Camp Captain**, Parowan Elementary students were invited to enter a pioneer Essay Contest. Karen Miller, Old Rock Church DUP Museum Director, awarded five winners with a certificate and prize money at the school on January 6th. Each winner then read their essay to the entire assembled student body.

Mrs. Miller encouraged all students to continue to learn more about their pioneer ancestors, and invited all to bring their friends and families to visit the DUP Museum during the coming summer.

Parowan, Southern Utah's first settlement, celebrated 172 years on January 13th. All elementary and high school classes present pioneer dances and fill the gymnasium during the Grand March held at each year's celebration.

ANNA REGULA FURRER CARDON, EARLY PIONEER DOCTOR

Regula Furrer ("Anna") was born March 15, 1826, in Pfaffikon, Switzerland. An influential relative helped her gain admittance to the academic program at Geneva Hospital where she graduated in 1852 with high honors as a physician and surgeon. She sailed on the ship *Enoch Train* in March 1856, where she was known as "Doctress Anna." She enlisted in Captain Daniel D. McArthur's handcart company departing June 11, 1856, and arrived in Salt Lake City on September 26th. She pushed her handcart the entire distance across the plains, walking much of the way barefoot. Shortly after arriving, she was introduced to Jean

Anna Cardon

"John" Cardon. He and Anna were wed on October 29, 1856. They moved to Weber County where she began her medical route on horseback in 1857. When it was decided to build the Weber Stake Relief Society Building in Ogden, she made a donation of \$500 — one-tenth of the total cost of the building. Thanks to her generous contribution, the building was completed in 1902. It currently houses the Ogden DUP Museum at 2104 Lincoln Avenue.

BEAVER UTAH DUP MUSEUM WELCOMES NEW STATUE

This statue of a pioneer family was on display for many years at the Kanesville Tabernacle and Visitors Center in Council Bluffs, Iowa. Due to the recent updates at the

"Pioneer Family: An Everlasting Heritage" Statue

Kanesville Visitors Center, the statue needed a new home. A query was sent to DUP satellite museum directors from the ISDUP Satellite Museum Director, Isabell Stringham, to find any museums that might be interested in the relocation of the "Pioneer Family: An Everlasting Heritage" statue to their location. This statue was sculpted by Bill Hill from Mendon, Utah. There is a "twin" of this statue located in Mendon's Pioneer Park.

The Beaver County DUP Museum director submitted an application after consultation with Beaver County officials (who oversee the property where the statue would be relocated). They were informed that they were chosen from all the applicants as the new home to this beautiful statue. This

"Pioneer Family" was on its own "trek" west — this time going by semi-truck!

Thinking they would have months to plan, the county maintenance crew and the Museum began making preliminary plans, but were surprised to find out the statue would arrive within weeks. Plans quickly evolved into actions, things fell into place, and the site for the statue was prepared. The weather was pleasant the day the statue was lowered into place at the museum. Many who watched were amazed at how well it looked in place, commenting that it looked as if it had always been planned to be there.

This statue will be a special addition to our county, residing in front of the Beaver County DUP Museum, representing the many pioneer families that settled Beaver County, and all who have since come to Beaver County to build new lives, hopes and dreams.

The Museum and statue are located at 90 E. Center, Beaver, Utah.

Pioneer Mysteries

Thank you to those who identified our last mystery photo. He has been identified as Joseph Edward Anderson of Fairfield, Utah. He moved to Thornton, Idaho, at some point and that is where he died. We are now able to connect him to the right family.

This issue's photo is also of a handsome gentleman. The image is a Carte de Visite (approx 2" x 3"). On the reverse side of the card there is a handwritten identification which reads: S.A. Kelch London June 26/91 Salt Lake City. It is possibly a missionary photo.

The photographer's imprint appears to be possibly German. Beyond this scanty information, we know nothing of this man. We would appreciate being able to better identify him.

If you recognize the image or think you might know who he is, please contact the Photo Department at photos@isdup.org.

Thank you to all of you who follow this column and try to identify these pioneers.

DAR HONORS PRESIDENT JEPPSON AND ISDUP

In April 2022, **ISDUP President Ellen Jeppson** was honored by the Utah State Society Daughters of the American Revolution at their annual State Conference. She was presented with a certificate and commemorative bowl for her administration's efforts in historic preservation. In October, DAR Honorary Utah State Regent Kathryn Asay came to the Pioneer Memorial Museum to present President Jeppson with the Excellence in Historic Preservation Award certificate and medal. ISDUP was also presented with DAR's very prestigious Historic Preservation Medal, which is awarded to entities or individuals who have led extraordinary efforts in historic preservation over a long period of time. It was a wonderful honor for ISDUP to be recognized for its ongoing dedication to preserving the history and legacy of the Pioneers.
