The President's Pen

Happy Holidays to all Members and Associates of Daughters of Utah Pioneers.

At the end of each year it is amazing to reflect upon the many accomplishments and events that have transpired in the International Society Daughters of Utah Pioneers. The year 2023 has brought us an updated Constitution and Bylaws for the organization along with simplified forms including our policies and procedures. District Conventions were held for half of our Companies, and we are looking forward to visiting the remainder of the Companies in 2024. We had a wonderful Seminar/Convention which included an election meeting and the induction of International Officers.

Ellen Jeppson
ISDUP President

- 1st Vice-President: Maryann Jensen
- 2nd Vice-President/Historian: Constance Hunstman
- 3rd Vice-President: Jeanie Bowerbank
- 4th Vice-President: Claire Olsen
- 5th Vice-President: Julie Thompson
- Secretary/Membership: Vicki Chambers
- Treasurer: Billie Allred
- Registrar: Harriet Rasmussen

We wish to express our thanks and appreciation to Jane Rasmussen, Ruby Fielding, Leeanne Nelson, and Denice Wheeler who retired from the International Board this year.

As I was preparing for celebrations of the holiday season, I remembered a story from the Hole-in-the-Rock lesson given in October of this year. "Christmas was celebrated by the main party at Dance Hall Rock. The children hung their stockings to wagon wheels on Christmas Eve and were not disappointed that Santa found them, leaving a few kernels of parched corn or a cookie behind. Although it was bitter cold, Christmas Day activities included wrestling matches, races, and a dance in the evening." This stark reminder of the pioneers' optimism and faith in the face of trial was powerful. It has influenced me to do more for others and be more cognizant of the needs of my friends and family. I encourage you to allow the stories of your ancestors to comfort, inspire, and motivate you in all you do.

We know much of what our pioneer ancestors sacrificed for us. We show our appreciation, admiration, and love to them by emulating their lives and remembering their stories.

We extend our most heartfelt best wishes to all of you for a Yummy Thanksgiving, Merry Christmas, and a Happy New Year.

With respect and gratitude,
Ellen Jeppson

From Stacey Page, Legacy Editor

I feel honored to assume the role as editor of the *Legacy*. All of us at ISDUP express our gratitude to Denice Wheeler who served as *Legacy* editor for 15 years. Her contributions and dedication to DUP have been significant. She has retired from the board, and we wish her well.

Denice Wheeler
Retired *Legacy* Editor

I always look forward to reading the latest edition of the *Legacy*. I am impressed by the countless hours of time, leadership and service that Daughters spend in behalf of their Camps and Companies to ensure the memories of our pioneer ancestors are preserved. I am inspired by the creative and original ideas that are shared by Camps and Companies about their recent Jubilees, outreach activities and camp meetings. I love this organization, and I love reading about what you are doing to ensure this society will continue to thrive wherever you live. Keep sending in your articles. I will print as many as will fit in each issue so others can also be inspired.

DUP'S 2024 SCHOLARSHIP ROYALTY COMPETITION

What event features scholarships and confident female descendants of our pioneer ancestors? It is the annual ISDUP Days of `47 Scholarship Competition. It will be held March 29 and 30 at the Pioneer Memorial Museum.

We invite you to encourage your daughters, granddaughters, nieces, neighbors, and other qualified young women to apply to become a contestant in the competition. This is a wonderful growing experience for the contestants. It allows them to create lasting friendships, increase confidence, and perhaps earn a title along with generous scholarship funds. Three young women will be selected to represent the State of Utah, The Days of `47, and Daughters of Utah Pioneers. The Royalty has posted their activities on social media.

The pageant is open to all women between the ages of 18 and 25, who are high school graduates as of March 30, 2024, have pioneer ancestry and are qualified in other required areas stated in the application. The application will be available on the ISDUP website January 15, 2024. Applications must be received by March 8 at the Pioneer Memorial Museum, 300 North Main Street, Salt Lake City, UT.

TALES OF TRIUMPH VOLUME SIX LESSON TEASERS

Victorian Christmas Traditions (December)

In the United States, Puritan tradition forbade the celebration of Christmas. The belief was there should be no Christmas caroling, expressions of joy, or decorations of any type associated with something so sacred. (p.141)

Women Pioneer Hymn Writers (January)

Ellen Knowles Melling Salisbury was kidnapped by a lioness as an infant. Rescued by her mother before she could be eaten, she grew up to compose the music for the hymn, "Oh Say, What is Truth?" (p.188)

Handcart Company Captains of 1856 (February)

Edmund Ellsworth led the first handcart company in 1856, consisting of 280 individuals pulling 56 handcarts. Each pioneer was allowed 17 pounds of luggage. The food allowance for an adult consisted of one-and-one-half pounds of flour, two ounces of rice, three ounces of sugar, and one-half pound of bacon each week. Children received less. The company covered about 20 miles each day. (pp. 219-220)

CORRECTION

In the *Legacy*'s Fall issue 2023 article entitled "Camp Frontier Index Celebrates Jubilee" the name of the donor of the bench near the east entrance of the Weber County DUP Museum was incorrect. The bench was donated by the Child Culture Club of Ogden in a collaborative effort between Club officers and Museum leaders.

WEBER COUNTY DUP CELEBRATES PIONEER DAY

Weber County DUP members and friends gathered June 26, 2023 on the Museum's grounds in downtown Ogden for a memorable event spotlighting this year's pioneer royalty and featuring the dedication of a granite bench to the memory of pioneer children.

Introduced by their company presidents, the four queens were **Karen Neuenschwander Gall**, Weber Far South Center Co.; **Rosemary Wangsgard Waite**, Weber North Center Co.; **Rose Mary Holley Breitweiser**, Weber South Co.; and **Gayla Lloyd Dye**, Weber Far South Co. Each received a tiara, sash, and bouquet of flowers during a crowning ceremony conducted by Museum President **Marti Clayson**. During their reign, the queens rode in the Ogden Pioneer Days Parade and were recognized at such community events as Ogden's Pioneer Days Rodeo, The Church of Jesus Christ of Latter-day Saints Pioneer Devotional, and the Museum's Pioneer Day Open House.

PUGET SOUND SOUTH COMPANY PIONEER PREPAREDNESS FAIR AND JUBILEE

The **Puget Sound South Company**, Washington, participated in a pioneer preparedness fair held August 5, 2023, in Graham, Washington. The daughters had a booth which included pioneer games, butter making, wheat grinding, and a display of DUP books and posters about DUP.

The **Puget Sound South Company** titled their annual Jubilee "Our American Heritage" with guest speaker Pam Gassman on August 27, 2023. Pam is a member of Daughters of the American Revolution, an artist, a retired art teacher, and a presenter who has acquired an extensive collection of antiques from the 1800's. Dressed in period costume, she displayed and demonstrated the antiques and showed what life was like for a woman in the 1800s. Pam demonstrated household tools, utensils, appliances, and how they were used. Fifty people attended the Jubilee. President Barbara Pollard introduced the theme noting that although our ancestors may have come from foreign shores, they came to America and we owe them our gratitude for the sacrifices they made to help build this free nation.

BEAR LAKE COMPANY HONORS FOUR DAUGHTERS

The **Bear Lake Company**, Bear Lake County, Idaho, held their Fall Social Jubilee on August 7, 2023, complete with a delicious meal. Over 50 members of six camps attended the Officers' Training Meeting including a delightful program of funny DUP stories. Three daughters were honored from **Twin Creeks Camp**: Myrtle Johnson (58 years), VerJean Turner (58 years) and Wanda Dunn (55 years). One daughter was recognized from **Frances Elizabeth Bridges Camp**: Beth Woolstenhulme (58 years). Two of these daughters have now passed on. Each honoree has served in nearly every position of DUP, comprising 229 years of membership and over 200 years of service!

CAMP SILVER STAR AT MORMON ROW

On September 11, 2023, 10 members of the **Silver Star Camp**, Lincoln Company, Star Valley, Wyoming, traveled to Mormon Row. It is located in Grand Teton National Park and got its name from the fact that the 27 Mormon homesteaders who settled there clustered their farms to share labor and community. These settlers arrived in the late 1890s and early 1900s from Idaho. They were descendants of the early pioneers who traveled to Zion in the mid 1800s. These hardy settlers dug ditches by hand and with horses, built an intricate network of levees and dikes to funnel water to their fields. The famous, picturesque Moulton barns highlight Mormon Row, with the Grand Tetons in the background. The weather was beautiful and the ladies had an enjoyable day in the wonderful scenery.

COTTON MISSION CAMP VISITS MARKERS

Daughters in the **Cotton Mission Camp**, Washington Company, St. George, Utah, have been visiting DUP markers throughout Washington County. The historic tours began in September of 2022 and continued monthly every third Monday. Each tour included a history of the monument's location and visits to special pioneer buildings, museums, and cemeteries in that area. This was a great learning experience for the camp members to connect to early settlers. Many members used the information to share with family members and friends from out of town. This activity brought in many members new to our community who wanted to learn more about the area.

EAST MILLCREEK CAMP TOURS PIONEER HOME

Robyn Bennion and her two daughters, Jane and Brooke honored the **East Millcreek Neff Camp** with a personal tour of Robyn's pioneer home. The home was built in 1897 by John Neff and acquired by Robyn's family in 1944. This pioneer home was full of artifacts such as wooden rolling pins, pie saver cupboard, butter churn, pioneer sleigh, bench from one of Brigham Young's homes, and portraits of many pioneers. Outside on the nearly two acre estate, there were granite millstones from the Neff mill, a stone horse trough, and two huge Mulberry trees planted by John Neff at Brigham Young's request to help support the silk industry. This home is a treasure and the camp daughters were informed and inspired by their visit. Not only did they have a living pioneer history lesson, but also hands-on pioneer artifacts!

MARICOPA WEST COMPANY OUTREACH SYMPOSIUM

Maricopa West Company, Arizona, held an Outreach Symposium in Phoenix, Arizona on September 23,2023. The theme of the Symposium was "May They Be Remembered." As the ladies entered they posted a picture of themselves on a large painting of a beautiful tree painted by our company President, Laurel Bolton. Each daughter was also given a 3x5 card and asked to write down one of their favorite family traditions. The event was attended by Lynne White, Arizona Regional Representative, as well as 40 other daughters from the camps. Guest violinists, Louise Poly and Priscilla Benitez played a duet, "Wait Until the Clouds Roll By" from the DUP songbook. Daughters really got busy getting to know each other better by playing the game "two truths and a lie" at their individual tables. The cards, with the written family traditions, were collected. They will be compiled by the board and made available to each Camp in the Company.

PUGET SOUND NORTH COMPANY JUBILEE

Puget Sound North Company, Washington, held their Jubilee on Saturday, October 7, 2023. The program featured Sarah Fey Hinckley, a great-granddaughter of the artist Minerva Teichert. She shared Minerva's life story as well as some of her art focusing on pioneers and the west. Minerva was a pioneer in many ways in settling land, raising her family, and in her career. It was a fascinating presentation of the story-telling in her art, and Sarah is a gifted speaker. Note: an exhibition of 45 of Minerva Teichert's paintings is now open at the Church History Museum in Salt Lake City. It runs through August 3, 2024.

CARRYING THE PIONEER STORY FORWARD

The **Salt Lake South Point Company** enjoyed a beautiful presentation by Taylor Davenport. Taylor's presentation went along with this year's theme, "Carrying the Pioneer Story Forward." Taylor spoke about her 4th great grandmother, Clarissa Danforth Crapo. Members learned about Clarissa's life and how she crossed the plains. It was possible for them to learn about the life of Taylor's grandmother, and for Taylor to have a connection with her grandmother, because her history was recorded. After the presentation they were all challenged to carry their own story forward by writing their histories.

UINTAH COMPANY 24TH OF JULY CELEBRATION

The **Uintah Company,** Utah, held a 24th of July celebration at the Vernal Pioneer Museum. Volunteers demonstrated homesteading skills, helped the attendees try their hand at homesteading activities, dressed up for photos, played old fashioned games, gave tours of the museum, and much more. Volunteers dressed up as pioneers and pulled a handcart advertising the museum in two 24th of July parades (Vernal and Dutch John). In all, Uintah Company estimates 50 volunteers helped with the activities at the Museum, another 20 volunteers pulled the handcarts in the two parades, and more than 500 people attended the event. This is the fourth time Uintah Company has hosted this event, and it has grown in both activities and attendees each year. Uintah Company wants to give special thanks to the six families and two wards who comprised 90% of the volunteers and made this activity possible.

SACAJAWEA CAMP BAKE SALE

In 2010, the **Sacajawea Camp**, Duchesne Company, Utah, had a cabin that early company members built. The cabin needed to be moved, and it became the new location for the camp's monthly meetings. The daughters held a raffle and a bake sale during the 4th of July town celebration to raise the needed money to move the cabin. This was a huge success, and not only could the cabin be moved, but the bake sale has turned into a wonderful tradition that is still going strong. The money earned from the bake sale helps pay the DUP member dues. There are many repeat customers who look forward to the delicious baked goods provided by the daughters of the Camp.

DAUGHTERS TURN 100

Frances (Fran) Gooley is celebrating her 100th birthday. She is a member of **Zion's Summit Camp**, Salt Lake North West Company, Salt Lake City, Utah.

Florence Turnbow, a member of the **Sacajawea Camp**, Duchesne Company,Duchesne, Utah, turned 100 years old in September 2023. Florence has been a member of the DUP since 1956. She has served in many camp offices. Florence is known in the Tabiona Valley as the "Quilt Lady." She has made many "Lone Star" quilts. Her quilts have been purchased by many people worldwide and shared with family and friends. Florence has spent her life serving others, her church, and her family. She is loved by seven children, 17 grandchildren, and too many great, and great-great grandchildren to count.

OLD MILL CAMP HONORS DAUGHTERS

Recently, members of the **Old Mill Camp**, Emery Company, Ferron, Utah, honored their most senior members. Receiving her 65-year pin was **Doris Lindsay**. **Laverna Petersen** received her 48-year recognition and **Evelyn Huntsman** was honored as a 45-year member. Sadly, not long after receiving this recognition both Doris and Evelyn passed away. They will always be remembered for their interests and efforts in keeping the pioneer spirit alive in Emery County. In fact, Laverna Petersen took the initiative to contact people she thought might like to be members to reactivate Old Mill Camp in 2000 after having been inactive for eight years.

100 YEARS OF SERVICE

Shauna Jean Eyre Brimhall was presented her 50-year pin at the opening camp meeting of **Camp Heritage**, Uinta Company, Wyoming, on September 19. Shauna has served as the camp captain three times as well as almost every position in the camp. She has also been on the Uinta Wyoming DUP Company Board in many positions. Shauna is a very talented musician and has shared with others. This is the second time Shauna has accepted a 50-year pin. In 1964, Lottie Burleigh, the Company President, organized five new camps in Uinta Wyoming County. At the District Convention held April 28, 2014, charter members of those camps were recognized and received 50-year pins. One of those so recognized was Shauna's mother, **Liddie Bluemel Eyre**. Shauna accepted the pin for her mother who had passed away two weeks before the Convention and just a month shy of being 101 years of age. Liddie served as the 13th president of the Uinta Wyoming DUP Company.

RICH COUNTY HEADSTONE PRESERVATION AND RESTORATION PROJECT

In the historic town of Randolph,Utah, a service is rendered to preserve and cherish the town's rich historical heritage. This undertaking focuses on the meticulous restoration and protection of the town's worn headstones—a crucial piece of the local legacy. This inspiring endeavor has brought together members from three Daughters of Utah Pioneers camps: **Crawford Mountain Camp**, **Camp Heritage**, and **Camp Deseret**, Rich Company. Their collaboration has been instrumental in attending comprehensive workshops organized and led by Amy Barry, who serves as the Program Manager for the Utah Division of State History's Utah Cemeteries and Burials Program. Through these workshops, participants acquire essential skills and techniques to revive and safeguard headstones in dire need of repair. Each headstone brought back to life through their efforts narrates a unique story. By resurrecting these stories from the archives of time, the community's understanding of its history is enriched, and a deeper connection to its ancestral roots is fostered.

WHERE IS THIS PIONEER HOME?

This log home was the result of an Indian attack, believe it or not! The VanVleet family was traveling in Utah territory when they were attacked by Indians. Their two-year-old son was killed and scalped. Heartbroken, they couldn't bear to leave his body in an unprotected grave, so they built their log cabin over his resting spot, placing his little body under the hearthstone of their home. Several years later, the ranch was traded to the Maximilian Parker family, who then became the owners. Where is this pioneer cabin? For the answer, check the December Bulletin on the ISDUP website.

Pioneer Mysteries

Thank you to all who follow this column and help to identify our mystery photos. We would like to thank Marilyn Henrie for the following identification of our September Photo.

"I believe the one on the left is Rebecca J. Smith (KW8W-5SR) and the one on the right is Edith Ann Smith (KWJG-S2N). They are both daughters of my 2nd great-grandfather, Elias Smith but are from different mothers. Rebecca's mother is Amy Jane King, and Edith's mother is Lucy Brown. They would also both be related to Amelia Woolley (KWJ8-ZML), who I believe may be the person in the middle. I don't know for certain if the photo is of Amelia, but I believe it is highly likely. She may have gone by Melle. She was born in 1855 and the others were born in 1860 and 1861."

The mystery for this issue is this portrait which came to Pioneer Memorial Museum with a donation of artifacts from Brigham Young's Farm Home. The woman is unidentified, and her picture is in a 30'' x 40'' gold frame. If you recognize this beautiful lady, please contact the ISDUP Photo Department at photos@isdup.org or 801-532-6479 ext 206. We would love to be able to give her the recognition she deserves.

Outreach Programs

JEFFERSON COMPANY REACHES OUT TO COMMUNITY

Each spring, scores of Jefferson County, Idaho, fourth graders return home from school bearing simple rag dolls, embroidery samplers, candles, tiny bricks, vintage treats, and a greater knowledge of pioneer life in the west. The five camps of the **Jefferson Company,** Rigby, Idaho have partnered with local teachers for many years,to enrich the study of Idaho history. Daughters help the children with hands-on learning and lead them in square dancing and old-fashioned games. Nancy Madsen is the Company's featured storyteller.

Amanda Hickman recently turned over the Outreach program to new DUP member, Adri Johnson. Adri shared her interest in beekeeping with the children and soon found herself extending her enthusiasm in other ways. She has ideas for applying Outreach to spread awareness of DUP and to encourage younger women to join.

Adri Johnson shares her beekeeping skills.
