Newsletter Vol. 47 No. 3

Fall Issue • September 2024

To all Members and Associates of Daughters of Utah Pioneers — welcome to this beautiful Autumn Season.

My husband and I have just returned from Grand Teton National Park where we spent four days working as Living History Volunteer Rangers at the Menors Ferry historical site in the Park. Just a couple miles away is the Mormon Row site where we served in the same capacity last year. We dressed in period clothing and taught tourists from around the globe about the heritage of the pioneers and the history of the sites. We shared artifacts, told stories, and provided an authentic portrayal of life in the pioneer era.

Ellen Jeppson
ISDUP President

These experiences were the direct result of my writing the 2024 October lesson about the history of the Tetons, Jackson Hole Valley, and Mormon

Row. We spent many hours each day walking where the pioneer settlers walked and felt the uplifting spirit that emanated from the structures, farms, and homes built by their hands. We could see the steepness of the trail, the long paths to reach water, and the large fields covered with weeds and sage that were tamed by hand. We pulled a handcart over sand and rocks to the tops of hills. It looked like it would be fun, but it was also hard. We could understand why the settlers chose the land at the feet of the Teton Mountains – the view and majesty of the site were spectacular. Imagining what the homestead buildings and the dirt road would look like under many feet of snow was humbling. Finding the stories of these great men and women has elevated my appreciation and love for them, and by extension, for all pioneer men, women, and children.

Visiting the sites of pioneer life including cabins, homesteads, towns, trails, churches, schools, and other structures can enhance our knowledge and feelings about the

pioneers. Cemeteries are precious reminders of the ultimate sacrifices and lives fulfilled by our early ancestors. Preserving these places is a purpose of Daughters of Utah Pioneers and our markers and museums provide the way for further generations to remember.

I encourage you to enhance your learning about the pioneers by reading and writing histories, collecting artifacts, and visiting the places that were important for your ancestors. Become more knowledgeable about their experiences and share their stories with your families. Preserve their history. Talk about them. Remember them.

We are proud to present *Tales of Triumph* Volume Seven to our Members of Daughters of Utah Pioneers. We invite you to study, learn, and enjoy.

We know much of what our pioneer ancestors sacrificed for us. We show our appreciation, admiration, and love to them by emulating their lives and remembering their stories.

With respect and gratitude,
Ellen Jeppson

OUTREACH

Summer offers many opportunities to “reach out” to the community by representing and honoring the pioneers and our heritage. Share stories about pioneer ancestors with your family as you gather for reunions. Participate in community fairs and parades as a DUP Camp or Company and pass along information about how to join DUP. There are several pages of Outreach ideas and information on the website. Remember, you are the best advertisement for this great organization!

PIN CONTEST

Daughters of Utah Pioneers will celebrate its 125th birthday on April 11, 2026. In honor of the occasion ISDUP is sponsoring a pin contest. We would love to see your ideas for pins. This contest is open to everyone, so put on your “thinking caps,” dig out your art supplies, and submit your best ideas for pins to commemorate this great occasion. Entries should be submitted by January 25, 2025 to: ISDUP 125th Pin Contest, 300 North Main Street, Salt Lake City, UT 84103. We are looking forward to celebrating this stellar event with you.

GUIDELINES FOR SUBMITTING PIONEER HISTORIES

Pioneers were people who came to the Utah Territory/State of Deseret between July 24, 1847, and May 10, 1869, died crossing the plains after leaving one of the outfitting encampments, or were one of the *Brooklyn Saints*. Native pioneers were born in the Utah Territory between July 24, 1847, and May 10, 1869. If your ancestors do not fit these criteria, we will not have their histories nor do we accept them. Histories should contain new information and be original from the author submitting them.

Information about a child who died on the trail should be included in the history of the parents. A separate history of a child who died on the trail should be only about that child and might be just a paragraph or a few lines. It should include the names of the parents but not a history of the parents or family.

SEARCH PAST LESSON TOPICS ON THE NEW WEBSITE

One of the new features on the ISDUP website is the ability to search the lesson archives. Go to the Leadership tab and select DUP Lessons from the drop-down menu. Click on “Search Lesson Archives” and type a topic or pioneer name in the search bar. Every lesson including that particular topic or pioneer will be listed, as well as the name of the lesson series and volume. Thank you to museum curator, Kari Main, for compiling this database and making it available on the website.

MaryNell Snow of Escalante Camp, Uintah Company, Jensen, Utah, has been a member of DUP for 75 years! An open house was held in her honor on April 27, 2024 at the Vernal Pioneer Museum. Attendees included all five of her children who are scattered across the Western U.S., grandchildren, great grandchildren, siblings, cousins, and other DUP members and friends. She joined DUP in 1949 at age 17, two years after she was married. Her mother-in-law helped her complete her paperwork. MaryNell has embroidered hundreds of dishtowels for sale in the museum giftshop. She just completed her latest set and has already sold them for the museum!

At the open house Uintah Company and Escalante Camp presented MaryNell with a plaque to commemorate her lifetime of service to DUP.

PHYLLIS RASBAND PARCELL TURNS 100

Phyllis Rasband Parcell, a member of **For Get Me Not Camp**, Wasatch Company, Heber City, Utah, celebrated her 100th birthday on May 6, 2024. She was honored with a large and wonderful open house given by family and friends. Phyllis was born in Heber City in 1924. She graduated from Wasatch High School where she met and then later married Harris Parcell in the Salt Lake City Temple. She worked at First Security Bank in Heber for over 30 years. She loves exercising each day, spending time with her family, watching sports, especially BYU and the Utah Jazz. Her best advice for a long happy life is to "love your family" and "be grateful."

FOUNTAIN GREEN DUP MUSEUM REDEDICATED

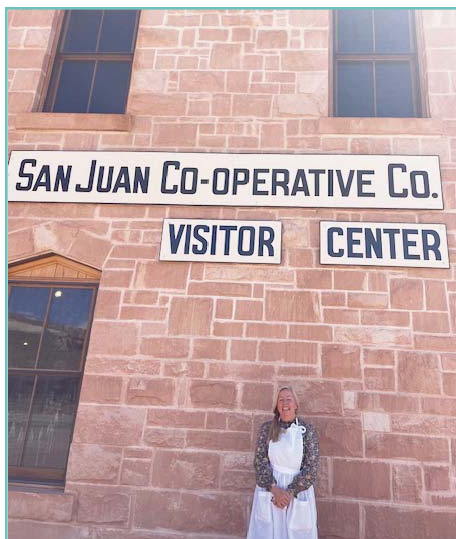

June 17, 2024, was a red-letter day for the **Uintah Springs Camp**, Sanpete North Company, Fountain Green, Utah. A beautiful program was held to rededicate the DUP Museum located in the Bishop's Storehouse on Main Street in Fountain Green, Utah.

During the heavy winter snows of 2022-2023 part of the roof had fallen and severe damage was sustained in the Museum. Yvonne Hansen, Museum Director and Camp Captain, acted quickly when she received word from the Fire Marshall by gathering vinyl tablecloths and covering the artifacts to prevent damage. With the help of the city and many contributors, all the artifacts were moved and inventoried. Then the work to replace the roof and repair the damage was undertaken. In the process, many improvements were also made. With the help of many people, the Daughters were grateful to celebrate the completion and reopening of the museum as part of their 2024 Jubilee. They invite visitors to come and enjoy the new museum.

CELEBRATE OUR HERITAGE

Terri Liechty at Bluff Fort.

What a privilege and adventure it is to honor our pioneer heritage! **Terri Liechty**, Primrose Camp, San Juan Company and her husband, are volunteer docents at Bluff Fort in southern Utah, where her great grandfather (Platte D. Lyman) led the pioneers in 1880. They had just conquered the famous Hole in the Rock. The fort now welcomes more than 70,000 visitors a

year from all over the world. Guests are enthralled with the stories, the movies, the bakery and all the pioneer activities. It's free! It's inspiring! Come visit!

SALT LAKE WEST COMPANY DEDICATES PIONEER CEMETERY MARKER

The **Salt Lake West Company** celebrated their District Convention with a marker dedication on May 6, 2024. A marker was placed at the Pleasant Green Cemetery in Magna, Utah, highlighting it as the first cemetery west of the Jordan River. The cemetery is a pioneer cemetery maintained by the families of those buried there.

Because the roads are not paved and parking is limited at the cemetery, a unique solution was provided for the dedication. On Saturday, May 4, ISDUP board members, dignitaries from Magna City, Company board members, and a Color Guard were present for a videotaping of the dedicatory proceedings. On Monday, the DUP District Convention was held at the Pleasant Green ward building, and the Saturday activities were shown on screen to the full Company. Daughters who had relatives at the cemetery brought historical items for display, and everyone enjoyed breads, jams, and good company.

WASHINGTON EAST COMPANY AWARDED COMMISSIONER'S CHOICE TROPHY

On Monday April 15, 2024, the **Washington East Company** Daughters won the Commissioner's Choice Trophy as they participated in the Washington County Fair Parade in Utah. The turnout was great and everyone had a wonderful time. The Company comes together to make their events successful.

DESERT SAGE CAMP WINS NEW MEMBER CONTEST

The **Desert Sage Camp** Daughters enjoyed a luncheon on May 8, 2024, in Ivins, Utah, provided by the Washington West Company officers for winning the annual New Members Contest. Desert Sage Camp won the 2023-2024 contest with six new members. The annual contest has proven to be an effective way to encourage Camp Daughters to grow their Camps. Washington West Company increased its membership with 27 new members this past year.

ITHACA CAMP PIONEER DAY

Ithaca Camp, Rich Company, held their annual bake sale as part of Laketown, Utah, Pioneer Day Breakfast. The bake sale helps the camp raise money to cover the cost of projects such as painting their historic DUP museum and doing minor repairs and upkeep. Pies, cakes, cookies, breads, and homemade items donated by Camp members help make the fundraiser a success.

SARIAH CAMP PARTICIPATES IN FAMILY HISTORY FAIR

The **Sariah Camp**, Fremont Company, Ashton, Idaho, was able to participate in the Ashton Stake Family History Fair in January of 2024. The event was free and consisted of six different activities for the entire community as well as a luncheon of soup, rolls and dessert. The Camp had the opportunity to have a table to share information about DUP, its mission, and promote membership. A spinning wheel and demonstration were provided by camp member Joann Richards.

The event also featured the local museum and archives featuring the history of Ashton, Idaho, and the surrounding area. Many artifacts were shown to explain and document its unique history. Participants had the opportunity to contribute to a time capsule that will be opened in 50 years and was of great interest to the children present. Individuals printed their family lineage and there were experts available to assist them and answer questions about their own family history.

OLYMPUS COMPANY JUBILEE

Salt Lake Olympus Company held their annual DUP Jubilee on April 23, 2024, at the Sons of the Utah Pioneers building in Salt Lake City. The theme was "Rescuing Each Other." They emphasized a quote by President Thomas S. Monson, "If we have eyes to see, ears to hear, hearts to feel, we can rescue others!" They played a clip from "Ephraim's Rescue" about the Irish dancer whose life was saved and through his dancing lives were touched and "rescued." They enjoyed a program of clogging dancing by Grason and Olivia Tucker and their father/teacher, Greg. Daughters that are 90 plus years old were honored with a DUP pin. A catered lunch buffet was then enjoyed by more than 60 Daughters from their eight camps.

WEBER COUNTY DUP CELEBRATES THE PIONEER SEASON

Weber County DUP members and friends gathered June 22, 2024 on the Pioneer Museum grounds in downtown Ogden for a memorable event that spotlighted the 2024 Ogden Pioneer Days Royalty. The four queens are **Marilyn Blakeley**, Weber Far South West Company; **Heather Neilson**, Weber North Company; **Catherine Anderson**, Weber North East Company; and **LaDee Jensen**, Weber West Company. Each queen received a tiara, sash, bouquet of flowers, and newly minted Museum pin during a crowning ceremony conducted by Museum President Marti Clayson. During their reign, the queens were recognized at The Church of Jesus Christ of Latter-day Saints Devotional and Ogden Pioneer Days Rodeo, rode in the Ogden Pioneer Days Parade, and were honored at the Museum's annual Open House and other community celebrations.

In keeping with a busy summer schedule, the Museum also was featured in this year's Ogden City Arts Stroll on June 7. Guests were treated to light refreshments as they toured the facility and grounds to learn about the pioneer era in Utah.

FIVE GENERATIONS IN DUP

Ralph Smith Camp, Cache Far North Company, North Logan, Utah, is home to fourth and fifth generation Daughters of Utah Pioneers members. Amanda Calder Pope was born in 1859 in Bountiful, Utah, and was an actual Utah Pioneer. When Amanda Camp, was organized in Garden City, Utah, in October, 1933, it was named for Amanda. She joined her namesake camp in 1935. Her daughter, Edith Pope Whittington, joined that camp as well. It was 55 years later that Edith's granddaughter, Sharon Eastman Marcyes, moved to Bountiful, Utah, and joined the Granada Hills Camp. Her mother, Leda, joined a few years later. In 2019, Sharon's daughter, Kimberly Ann Marcyes Huntzinger joined the Ralph Smith Camp in North Logan, Utah, making five generations of Daughters of Utah Pioneers.

FIELD TRIP TO MOCCASIN, ARIZONA

On May 21, 2024, eighteen Daughters from the **Willow Camp**, Kane Company, Kanab, Utah, held their closing social. A field trip to Moccasin, Arizona was the destination. Ron Johnson, a lifetime resident of Moccasin, his wife Renee, and guide Audrey Heaton, joined them and told the history of Moccasin from pioneer times to the present day.

The group visited "The Big House" which is on the national historic registry. The guide, Dr. John Schmutz, shared the story of his great grandparents, Johnathan and Lucy Heaton, and the history of The Big House. Johnathan and Lucy once resided in the house, which is currently still in the family. The home was known for feeding and entertaining many dignitaries of church and state. Audrey Heaton then took the Daughters on a tour of the City Museum, which is the old schoolhouse, where they saw Leonard Heaton's scale models of the church and homes of Moccasin.

They concluded the field trip at the church pavilion where they enjoyed a picnic lunch provided by the board. It was a beautiful spring day and a wonderful time was had by all.

A QUEEN'S LUNCHEON

Members of **Peterson Creek Camp**, Morgan Company, Morgan, Utah, celebrated their closing social on May 13, 2024. Their regular camp meeting, which was held in the home of Carol Witbeck, Camp Captain, was followed by a Queen's Luncheon. All attending received a royal crown and a queen's fare, which included reigning rice, the crown's favorite fruit salad, treasury golden coins, the palace chocolate mousse, court jester marbled chocolate bark, and sparkling water from the royal garden wishing well. Each member enjoyed friendships and a relaxing luncheon that they did not have to prepare. After all, we are all Queens, aren't we?

SANTA CLARITA CAMP CELEBRATES PIONEER HERITAGE WITH GARDEN PARTY

In May 2024, the **Santa Clarita Camp**, Los Angeles North Company, hosted a truly spectacular event, celebrating the rich heritage of their pioneer ancestors. Held in a picturesque garden belonging to one of the members, the party was a great success. With flowers in full bloom, the setting provided a perfect backdrop for an afternoon of remembrance, storytelling, and camaraderie.

Valerie Lunt

A highlight of the event was the sharing of stories about the talents, abilities, and character traits of their ancestors. Four members of the camp were invited to present an ancestor, each tale weaving a rich tapestry of pioneer life and legacy. Presenters included Chris Halladay, Valerie Lunt, Carlene Payne and Ethelyn Glancy.

The garden party was more than just a social gathering; it was a celebration of the pioneer spirit that lives on in their descendants. Each story shared highlighted the resilience, creativity, and determination of our ancestors. The talents they nurtured, whether in the arts, craftsmanship, or education, have left a lasting impact on their descendants, inspiring them to honor and preserve their heritage.

Pioneer Mysteries

The Mystery Photo for this issue of *Legacy* is of a woman named Mrs. Wright. It is a photo taken in Salt Lake City by Fox and Symons Photographers. The reverse of the photo identifies her as Mrs. Wright, but we do not have any additional information about this lady. It would be nice to be able to give her a more complete name.

If you recognize this woman, we would love to hear from you. Please contact us at photos@isdup.org if you have any information on this picture. Thank you to all of you who follow this spot regularly. With your help we are getting unknown photos identified.

WHERE IS THIS PIONEER HOME?

This beautiful Victorian house, complete with gingerbread trim has only had two families that have called it "home." Mont and Amelia Johnson were the original owners who had the home built around 1901 when Mont was the mayor of this small town. The second owners turned Mont's sugar beet farm into beautiful lawns and gardens where many visitors still come to admire this beautiful home and its pioneer era flowers, trees and bushes. Throughout the years, people have come to enjoy the beauty and tranquility of Mont's gardens. Weddings are also held in this beautiful setting. Where is this home located? Check the September bulletin on the isdup.org website for the answer!
