## Still, Still, Still

2. Sleep, sleep, sleep,

'Tis the eve of our Savior's birth
The night is peaceful all around you,
Close your eyes, Let sleep surround you
Sleep, sleep, sleep

Tis the eve of our Savior's birth.

3. Dream, dream, dream,

Of the joyous day to come.

While guardian angels without number

Watch you as you sweetly slumber.

Dream, dream, dream, dream, dream,

Of joyous day to come
